

Schedule G Direct Shipper's Annual Beer Tax Report Electronic Filing Instructions

North Dakota Century Code (N.D.C.C.) § 5-01-16 states that direct shipping, transporting, and delivery of alcoholic beverages direct to consumers in North Dakota is illegal unless you are a licensed retailer or manufacturer in your state of domain and obtain (1) a direct shipper license and (2) a sales and use tax permit.

Direct Shippers must apply for and obtain a license **before shipping**. When direct shipping alcohol to North Dakota, all direct shippers must be licensed in North Dakota and must only involve North Dakota licensed Logistics Shippers and North Dakota licensed Alcohol Carriers as stated under N.D.C.C. § 5-01-16. N.D.C.C. § 5-01-16.3 penalties apply for unlicensed persons shipping, causing to be shipped, or transporting alcoholic beverages to North Dakota consumers.

This Schedule G is to be used by licensed direct shippers for beer; Schedule H is to be used by direct shippers for liquor, including wine.

Direct Shipper Permit and Reporting Requirements

N.D.C.C. § 5-01-16 states that a **retailer or manufacturer** may ship alcoholic beverages directly to consumers in North Dakota once they obtain a Direct Shipper license. The license is valid for one calendar year and costs \$50.00 per year.

Direct shippers must file an annual tax report with the North Dakota Office of State Tax Commissioner and make payment based on the total gallons shipped or caused to be shipped to North Dakota consumers from each licensed location. The Office of State Tax Commissioner has designated Schedule G as the direct shipper's annual tax report form to be used for reporting and paying tax on beer. *Note that direct shippers should use Schedule H when reporting and paying tax on liquor, including wine.*

Due Date: The Direct Shipper beer tax report, Schedule G, is an annual report and is due on or before **January 15** of the year following the year of sale. When the 15th day of January falls on a Saturday, Sunday, or legal holiday, the due date is the first working day thereafter.

Schedule G is to be filed electronically using the following instructions and, on the form, prescribed by the Office of State Tax Commissioner. Amended reports must also be filed electronically. Reports are **not required** if no sales were made. Filing a zero report when sales were made will not satisfy the filing requirement and penalties will apply.

N.D.C.C. § 5-03-06 also applies for any taxes imposed by this chapter. Failure to **file** the reports, when required, must be assessed a penalty of **\$100 per day** for each day such reports are delinquent. If there is failure to **pay** such tax on the date payment is due, there must be added to the tax a penalty of 5% of the total amount of the tax or \$5.00, whichever is greater, plus interest of 1% of the tax per month or fraction of a month of delay, except the month the return or tax becomes due.

Sales and Use Tax Permit and Reporting Requirements

Direct Shippers must also have a Sales and Use Tax permit and remit state and local tax using the forms prescribed by the Office of State Tax Commissioner. The electronic Sales and Use permit application can be found at tax.nd.gov/apply. The Sales and Use tax return is **required** even if no sales were made. Original and amended Sales and Use tax returns can also be filed electronically.

For purposes of this report, the following definitions apply:

"Direct Shipper" means a person that is licensed by the Tax Commissioner and ships or causes to be shipped alcoholic beverages directly into this state to a consumer for the consumer's personal use and not for resale.

Payment Instructions

Make sure you have entered the amount in line 11 from the Coversheet that you wish to pay.

If there is a balance due from a return that is being filed, you will be prompted to make a payment (either within the return itself or from the confirmation page).

If you want to make a payment separate from filing a return, click on the “Make a Payment” link on the corresponding account tile.

The following are the various payment methods accepted by the State of North Dakota:

- **ACH Debit** (most frequently used): An Electronic Payment authorizes the Office of State Tax Commissioner to debit a checking or savings account for a specific amount. It is free to use this payment type.
 - o If you have selected to pay by ACH Debit and have an ACH Debit block on your bank account, you must inform your financial institution of the Office of State Tax Commissioner’s Originator ID to avoid your payment being rejected. The Office of State Tax Commissioner’s number is 1450309764.
- **ACH Credit**: An ACH Credit is an electronic payment you initiate from your financial institution. Your financial institution may charge you a fee for using this payment type.
- **Debit/Credit Card**: Pay with a Debit or Credit Card through Fidelity National Information Services (FIS), an authorized IRS payment processor.
 - o A non-refundable convenience fee is charged by FIS.
 - o Company ID for taxpayer to provide to their bank for those who have their account blocked is 0000079161.
- **Paper Check**: Mail a paper check to the Office of State Tax Commissioner using a payment voucher.
 - o The check and voucher must be postmarked by the due date of the return to be considered timely filed.
 - o Make sure your check and voucher are for the same total amount and that the voucher matches the amount of the payment you entered on the Coversheet, line 11.

Amending Schedule G Reports

Amended reports will be necessary when a direct shipper fails to report correctly during any month. To correct an original report, a **“total replacement”** amended report must be electronically submitted.

The taxpayer will enter an “A” for amended report instead of an “O” for original report on the Schedule G Coversheet. After completing the report as it should have been reported, enter the amount of “Tax Previously Paid” on line 6 so that line 7 reflects the additional tax due or overpaid amount as a result of the new information.

If the amount on line 7 shows additional tax due, calculate and enter the penalty due for late payment (5% of total tax due on line 7 or \$5.00, whichever is greater) on line 8 and enter interest for late payment, if applicable (1% of tax due on line 7 per month except for month after the return or tax becomes due) on line 9. Line 10 automatically calculates the total tax, penalty, and interest due. Enter the amount of your payment on line 11. If an overpayment results from the amended report, zero should be entered on line 11 and a refund will be issued.

Reminders

- North Dakota Direct Shippers are to include **all** beer shipped during the reporting period.
