

## City of Michigan Sales, Use & Gross Receipts Tax

At the present time, the City of Michigan has a maximum tax (refund cap) of \$25.00 per sale. Effective October 1, 2024, the City of Michigan has adopted an ordinance to increase the maximum tax to \$100.00 per sale. The City of Michigan currently imposed a sales, use, and gross receipts tax rate of 2%. The following applies:

- New farm machinery is exempt.
- Maximum tax (refund cap) increasing to \$100.00 per sale.
- Limited exemption for contractors does apply.
- Tax imposed applies to contract bids submitted on or after effective date.

The North Dakota Office of State Tax Commissioner has contracted with the City of Michigan to administer the city sales, use, and gross receipts tax. Tax is computed by multiplying the taxable purchase amount by the tax rate and carrying the product to the third decimal place. If the third decimal place is five or greater, round up; if it is four or less, round down. A local tax guideline is available at [www.tax.nd.gov/guidelines](http://www.tax.nd.gov/guidelines).

Effective October 1, 2024, the combined state and city rates within the city limits of Michigan will be as follows:

- General sales and use tax: 7% (5% state + 2% city)
- New farm machinery and farm irrigation equipment: 3% (3% state)
- New manufactured homes: 5% (3% state + 2% city)
- Lodging:
  - Hotel, motel, and tourist court accommodations and bed & breakfast accommodations licensed under North Dakota Century Code Ch. 13-09.1:
    - 7% (5% state + 2% city)
- Restaurants, concession stands, and mobile food trucks (sale of food and non-alcoholic beverages):
  - 7% (5% state + 2% city)
- Alcoholic beverages:
  - Off-sale alcoholic beverages: 9% (7% state + 2% city)
  - On-sale alcoholic beverages: 9% (7% state + 2% city)

Questions concerning the Michigan city sales, use and gross receipts tax may be directed to the Office of State Tax Commissioner.
