You might be eligible for a refund of local sales tax!

Most city and county local tax ordinances contain a local sales tax maximum, which varies among the local tax jurisdictions. If you pay local sales tax in excess of the jurisdiction's maximum amount, you may apply to the Office of State Tax Commissioner to obtain a refund of the excess local sales tax paid. For example, if you purchase \$4,000 of furniture in a city having a 1% sales tax and a local sales tax maximum of \$25, the retailer will collect \$200 in state sales tax (\$4,000 x 5%) and \$40 in local sales tax (\$4,000 x 1%) at the time of purchase. You may apply to the Office of State Tax Commissioner to obtain a refund of \$15, which is the excess of the \$40 local sales tax paid over the \$25 local sales tax maximum. Apply for a **Local Tax Refund** on our North Dakota Taxpayer Access Point (ND TAP) at **tax.nd.gov/LocalTaxRefund**.

Do you owe use tax?

If you purchased goods from a source outside North Dakota that you use or consume in North Dakota on which you did not pay North Dakota sales tax, you may have to pay state and local sales taxes to North Dakota. Technically, what you have to pay is called a "use tax." The use tax applies to the same goods that are subject to North Dakota's sales tax. The use tax applies whether you purchased the goods in person at an out-of-state location, or by mail, phone, or over the Internet.

If you purchased the goods in another state and did not pay any sales tax to that state, you must pay the full use tax to North Dakota. However, if you did pay the other state's sales tax but paid less than what you would have paid in North Dakota, you must pay use tax to North Dakota equal to the difference. If you purchased the goods in another country, you must pay the full use tax to North Dakota regardless of whether you paid any tax to that country on the purchase.

If you owe use tax to North Dakota, you must file a North Dakota use tax return using the **One Time Remittance Form**. You can obtain it from our website at **tax.nd.gov**, or you may call us at **701-328-1246**.

Privacy Act Notification. In compliance with the Privacy Act of 1974, disclosure of the individual's social security number on this form is required under N.D.C.C. §§ 57-01-15 and 57-38-31, and will be used for tax reporting, identification and administration of North Dakota tax laws. Disclosure is mandatory. Failure to provide the social security number may delay or prevent the processing of this form.

Ready to give **E-file** a chance?

North Dakota participates in the Internal Revenue Service's (IRS) Federal/State Modernized E-file program. This allows you to file and pay both your federal and North Dakota income tax return at the same time.

No matter what method you use to file - tax preparer, software you purchase, or one of the Free File options, here are a few things to know:

- **Direct Deposit** - Use direct deposit for a safe, secure method of receiving your refund.
- **Return Payments** - If you owe money, you can make or schedule a payment when you e-file your return, so you can reap the benefits of filing early while enjoying the flexibility of making the payment on a date of your choosing up to the due date of your return.
- **Amending a Return** - Taxpayers can amend certain returns electronically; check with your tax preparer or software vendor for availability.
- **Estimated Payments** - Taxpayers can schedule estimates when they e-file their return. This information must be included when you submit your return, and your account will be debited on the dates you specify.
- **Supporting Documents** - If you are able, attach PDF copies of supporting documentation (only those items not required to be entered into the program). Doing so may help us process your return without requesting additional information.

Do it yourself

- ▶ Check the list of do-it-yourself software on our website to see which vendor provides the product that meets your needs.
- ▶ Free File provides taxpayers the opportunity to file their state and federal tax returns electronically. Free File is a public-private partnership between the IRS, states, and many tax software industry leaders who provide services for free.
- ▶ Companies may charge a fee to file returns unless you meet the criteria set forth by each vendor to file for free.
- ▶ If you file only your federal return electronically, you will need to file your state return on paper. Don't forget to include a printed copy of your federal income tax return.

Changes affecting you and your income tax

Developments, updates, and items of interest relating to individual income tax

Income tax rate reduction

Effective beginning with tax year 2023, the existing five-bracket system for individuals, estates, and trusts was replaced with a three-bracket system, including a substantial first bracket with a 0% rate. Anyone making estimated payments should review the worksheet for Form ND-1ES to determine if the payments should be reduced or discontinued.

Filing requirements

North Dakota residents, part-year, and full year nonresidents who have a federal filing requirement and receive income sourced in North Dakota must file an income tax return with the Office of State Tax Commissioner.

Peace officer retirement benefits exclusion

Beginning with tax year 2023, an individual income tax deduction is provided for certain peace officer retirement benefits. An individual is eligible for the deduction if the individual has at least 20 years of combined service as a licensed peace officer that has been medically certified with a mental or physical disability resulting in the inability to perform their duties.

If you have provided documentation to verify your years of service to our office with last year's return, you do not need to provide this documentation again with your 2024 return.

For more information, refer to the Licensed Peace Officer Retirement Exclusion guideline found on our website: tax.nd.gov/guidelines.

Military pay exclusion

Beginning with tax year 2023, an individual income tax deduction is provided for all military pay. Report this exclusion on **Form ND-1, line 11**.

For more information, refer to the Military Service Members guideline found on our website: tax.nd.gov/guidelines.

Qualified endowment credit

To prevent delays in processing your return, complete Schedule ND-1QEC and attach a copy of the letter you receive from the organization upon receipt of your charitable contribution.

If your charitable contribution is to a qualified endowment fund by means of trustee-to-donee transfer of monies from an IRA under IRC § 408(d), to the extent these monies are the basis for the qualified endowment fund tax credit, that amount must be added back into North Dakota taxable income. See **Schedule ND-1QEC** for more information.

Nonprofit private school credit

To prevent delays in processing your return, complete Schedule ND-1PSC and attach a copy of the letter you received from the nonprofit private school that substantiates your contribution.

Reminders for claiming a credit:

- The credit is equal to 50% of the tax for each category of nonprofit private school contributed to, not to exceed \$2,500.
- If you do not have a tax liability, no credit needs to be calculated. There is no carryover provision.
- If the credit is coming from a Schedule K-1, Schedule ND-1PSC needs to be completed and filed with your return.
- Payments for tuition or to athletic boosters, PTO, or other groups do not qualify even if they benefit the school in some manner. See **Schedule ND-1PSC** for more information.

Nonresident Alien tax filing

Did you know that electronic filing options are available for nonresident alien income tax filing? Have your tax preparer file electronically for faster processing.

Changing your return

If you need to change your North Dakota return after you file it, you must file an amended return.

Reasons for amending your income tax return:

- You filed an amended federal income tax return that changed your Federal Adjusted Gross Income (AGI) and/or Federal Taxable Income (FTI).
- The IRS adjusted your federal return and issued correspondence showing changes to AGI and/or FTI.

See the instructions for how to prepare an amended return on page 8 of this booklet.

Online payment options

North Dakota offers a variety of online payment options for submitting an estimated tax payment, extension payment, or payment of a balance due on a return.

For convenience, security, and reassurance knowing the payment was timely received by our office, you are encouraged to pay online with a free electronic check or a debit or credit card using North Dakota Taxpayer Access Point (ND TAP). To pay online, go to: tax.nd.gov/payment.

Consent to obtain Form 1099-G electronically

Our office mails a paper Form 1099-G if there was an overpayment on the 2023 Form ND-EZ or Form ND-1 (last year's return), you itemized deductions on Federal Schedule A, and you have not previously consented to receive a Form 1099-G electronically.

If you have consented to receive Form 1099-G electronically, a paper 2024 Form 1099-G showing the overpayment amount will not be mailed to you. If this information is needed in order to complete your 2024 federal income tax return, it can be found on our website: tax.nd.gov/individual/form-1099-g using the **1099-G Lookup Tool**.

Choosing a tax return preparer

You are ultimately responsible for the accuracy of your tax return. Here are some tips to consider when selecting a tax return preparer:

- Choose a reputable tax professional. Do your research and ask a trusted family or friends for recommendations.
- Make sure your preparer provides a copy of your tax returns for your records.
- Select a preparer based on your needs. Some preparers are open seasonally and others are available year-round.

Who must file a return

Full-year resident

If you were a full-year resident of North Dakota for the 2024 tax year and you are required to file a 2024 federal individual income tax return, you must file a 2024 North Dakota individual income tax return. This applies even if you worked outside North Dakota (including employment overseas) during the tax year or have income from sources outside North Dakota. You were a full-year resident of North Dakota if you were a resident of North Dakota for the entire tax year or meet the statutory 7-month rule—see "Statutory 7-month rule" on this page.

Definition of resident—In these instructions, the term "resident" refers to an individual who is a legal resident of North Dakota. Legal residence (which is also called domicile) means the place that is your permanent home to which you always intend to return whenever absent from it. If you have more than one physical place of abode, only one of them may be your legal residence. Legal residence is based on your intent and your actions.

Statutory 7-month rule—Even though you were not a resident of North Dakota for any part of the tax year—that is, you were a full-year nonresident—you must file as a full-year resident of North Dakota if you maintain a permanent place of abode in North Dakota and spend in the aggregate more than 210 days of the tax year in North Dakota. A permanent place of abode means a house, apartment, or other dwelling containing cooking and bathroom facilities that is suitable for year-round living and is maintained on a permanent or indefinite basis. This 7-month rule does not apply if you were (1) a part-year resident of North Dakota, (2) a full-year nonresident serving in the U.S. armed forces, or (3) a full-year resident of Montana or Minnesota covered by reciprocity.

Resident in U.S. armed forces—If you were a full-year resident of North Dakota serving in the U.S. armed forces during the 2024 tax year and you are required to file a 2024 federal individual income tax return, you must file a 2024 North Dakota individual income tax return as a full-year resident. This applies regardless of where you were stationed during 2024.

Civilian spouse of U.S. armed

forces service member—If you are a civilian spouse of a U.S. armed forces service member, you must file a 2024 North Dakota individual income tax return if both of the following apply:

- You are required to file a 2024 federal individual income tax return.
- You were a full-year resident of North Dakota for the 2024 tax year. You are treated as a resident for this purpose if you elect under the federal Servicemembers Civil Relief Act to be a North Dakota resident for state tax purposes.

For more information, see the **Civilian Spouses of Military Service Members** income tax guideline.

Full-year nonresident

If you were a full-year nonresident of North Dakota for the 2024 tax year, you must file a 2024 North Dakota individual income tax return if **both** of the following apply:

- You are required to file a 2024 federal individual income tax return.
- You derived gross income from North Dakota sources during the 2024 tax year. (See the box on page 5 for what is included in gross income from North Dakota sources.)

You were a full-year nonresident if you were not a resident of North Dakota for any part of the tax year and do not meet the statutory 7-month rule—see "Statutory 7-month rule" on this page.

Nonresident in U.S. armed forces

—If you were a full-year nonresident of North Dakota serving in the U.S. armed forces during the 2024 tax year and you are required to file a 2024 federal individual income tax return, you must file a 2024 North Dakota individual income tax return as a full-year nonresident if you have gross income from North Dakota sources other than your military compensation.

Civilian spouse of U.S. armed forces service member—If you are a civilian spouse of a U.S. armed forces service member, you are not required to file a 2024 North Dakota individual income tax return if all of the following apply:

- Your service member spouse's permanent duty station is in North Dakota.
- Your only gross income from North Dakota sources was wages for work performed in North Dakota.
- You resided in North Dakota only because you wanted to live with your service member spouse.
- Both you and your service member spouse were full-year nonresidents of North Dakota for the 2024 tax year. You are treated as a nonresident for this purpose if you elect under the federal Servicemembers Civil Relief Act to be a resident of a state other than North Dakota for state tax purposes.

For more information, see the Civilian Spouses of Military Service Members income tax guideline.

Gross income from North Dakota sources for nonresidents only

For a nonresident, "gross income from North Dakota sources" includes the following:

- Compensation for services performed in North Dakota, such as wages, salaries, tips, commissions, and fees.
- Income from tangible property in North Dakota, such as rents, oil and gas royalties, and gain from the sale or exchange of the property.
- Income from a trade or business carried on in North Dakota, whether as a sole proprietorship, partnership, S corporation, or limited liability company treated like a partnership or S corporation.
- Income from an estate or trust, but only to the extent the income is derived from tangible property or a trade or business in North Dakota.
- Income from gambling activity carried on in North Dakota.

Minnesota or Montana resident—If you were a full-year resident of Minnesota for the 2024 tax year, you do not have to file a 2024 North Dakota individual income tax return if **both** of the following apply:

- Your only gross income from North Dakota sources was compensation for personal or professional services.
- You returned to your home in Minnesota at least once each month during the time you worked in North Dakota.

If you were a full-year resident of Montana for the 2024 tax year, you do not have to file a 2024 North Dakota individual income tax return if your only gross income from North Dakota sources was wages.

See "Reciprocity" on page 6 for more information.

Nonresident alien—If you were a nonresident alien of the United States and received gross income from North Dakota sources during the 2024 tax year, you must file a 2024 North Dakota individual income tax

return. Except where an income tax treaty between the United States and a foreign country specifically exempts income from taxation by a U.S. state, income tax treaties between the U.S. and foreign countries do not apply for North Dakota income tax purposes. Therefore, you may have to pay North Dakota income tax on gross income from North Dakota sources even though the income is exempt from U.S. income tax because of a treaty. For more information, see the guideline Income Taxation of Nonresident Aliens under "Guidelines" at tax.nd.gov.

Disaster recovery tax exemptions—Exemptions from state and local tax filing and payment obligations are available to out-of-state businesses and their employees who are in North Dakota on a temporary basis for the sole purpose of repairing or replacing natural gas, electrical, or telecommunication transmission property that is damaged, or under threat of damage, from a state-or presidentially-declared disaster or emergency. For more information, go to tax.nd.gov.

Part-year resident

If you were a part-year resident of North Dakota for the 2024 tax year, you must file a 2024 North Dakota individual income tax return if **both** of the following apply:

- You are required to file a 2024 federal individual income tax return.
- You derived gross income from (1) **any** source inside or outside North Dakota while you were a resident of North Dakota or (2) a North Dakota source while you were a nonresident of North Dakota. (See the box on this page for what is included in gross income from North Dakota sources while a nonresident.)

You were a part-year resident of North Dakota if you were a resident of North Dakota for only part of the year. This generally applies if you moved into or out of North Dakota and the move constituted a change in your legal residence. See "Definition of resident" on page 4.

Exceptions

Gross income from North Dakota sources does not include these items received while a nonresident of North Dakota: military pay, interest, dividends, pensions, annuities, gain from the sale or exchange of intangible property, compensation exempted under reciprocity with Minnesota or Montana, compensation exempted under federal military and interstate commerce laws, or compensation exempted under North Dakota's mobile workforce exemption.

Note: Interest, dividends, gains, and other income from intangible property are included in gross income from North Dakota sources if derived from a trade or business carried on in North Dakota, such as a sole proprietorship, partnership, or S corporation.

Native Americans

If you are a Native American, you are not subject to North Dakota income tax and do not have to file a North Dakota income tax return if **all** of the following apply:

- You are enrolled as a member of a federally-recognized Indian tribe.
- You lived on **any** Indian reservation in North Dakota.
- You derived all of your income from sources on **any** Indian reservation in North Dakota.

If any of the above criteria are not met, you may be subject to North Dakota income tax. For more information, see the guideline Income Taxation of Native Americans under “Guidelines” at **tax.nd.gov**.

Which form to use

If you are required to file a 2024 North Dakota individual income tax return, see the box on this page to determine whether you should use Form ND-EZ or Form ND-1.

Reciprocity

North Dakota has income tax reciprocity agreements with the states of Minnesota and Montana. If certain conditions in the agreements are met, compensation for services is taxable only by the state of residence.

Minnesota and Montana residents

If you are a resident of Minnesota and maintain a permanent home in Minnesota to which you return at least once each month during the time you work in North Dakota, the compensation you receive for personal or professional services performed in North Dakota is not taxable by North Dakota. If you are a resident of Montana, wages you receive for work performed in North Dakota are not taxable by North Dakota.

If you received wages covered by reciprocity, and your employer withheld North Dakota income tax of \$5.00 or more from them, you must file a North Dakota individual income tax return at the end of the tax year to obtain a refund of the amount withheld. If this applies to you and

North Dakota residents

When and where to file

If you are filing on a calendar year basis, you must file your 2024 North Dakota individual income tax return on or before April 15, 2025. If you are filing on a fiscal year basis, you must file on or before the 15th day of the fourth month following the close of your fiscal tax year. If the due date falls on a Saturday, Sunday or holiday, you have until the next day that is not a Saturday, Sunday, or holiday to file your return.

Mail your return to:

Office of State Tax Commissioner
P.O. Box 5621
Bismarck, ND 58506-5621

Extension of time to file

You may obtain an extension of time to file your North Dakota individual income tax return by obtaining either a federal extension or a North Dakota extension.

Federal extension

If you obtain an extension of time to file your federal return, it will be recognized for North Dakota individual income tax purposes. This includes the automatic extension allowed for being outside the U.S. and Puerto Rico on April 15. You do not have to file a separate state extension form or notify the Office of State Tax Commissioner that you have obtained a federal extension prior to filing your North Dakota return. Fill in the circle next to "Extension" at the top of Form ND-EZ or Form ND-1, whichever applies.

North Dakota extension

If you do not obtain a federal extension, but need additional time to file your North Dakota return, you may apply for a North Dakota extension by completing and filing Form 101. This is not an automatic extension—you must have good cause to request a North Dakota extension. Form 101 must be postmarked on or before the due date of your return. You will be notified whether your extension request is approved or rejected. If approved, fill in the circle next to "Extension" at the top of Form ND-EZ or Form ND-1, whichever applies.

Extension interest

If you obtain an extension and file your North Dakota return on or before the extended due date, and you pay any tax balance due with the return, no penalty will be charged. Interest on any tax due on the return will be charged at the rate of 12% per year from the original due date of your return to the earlier of the date you file your return or the extended due date.

Prepayment of tax due

If you are applying for an extension of time to file, you may prepay the tax that you expect to owe to avoid paying extension interest. For payment options, go to tax.nd.gov and select "Make A Payment." If submitting a payment by paper check or money order, you must complete and submit a 2024 Form ND-1EXT payment voucher with the payment. Alternatively, you may submit a paper check or money order along with a letter containing the following:

- Your name.
- Your social security number.
- Your address and phone number.
- Statement that you are making a 2024 Form ND-1EXT payment.

If you prepay your tax, you must file Form ND-1 and claim the payment on page 2, line 27; you may not file Form ND-EZ.

Penalty and interest

If you obtain an extension of time to file your return, you may pay the tax due by the extended due date of the return without penalty, but extension interest will apply—see "Extension interest" and "Prepayment of tax due" on this page.

If you file your return by its due date (or extended due date), but you do not pay all of the tax due on it by the return's due date (or extended due date), a penalty equal to 5% of the unpaid tax due or \$5.00, whichever is greater, must be paid.

If you file your return after its due date (or extended due date), and there is an unpaid tax due on it, a penalty equal to 5% of the unpaid tax due or \$5.00, whichever is greater, applies for the month the return

was due, with an additional 5% of the unpaid tax due for each month (or fraction of a month) the return remains delinquent, not to exceed 25% of the tax due.

In addition to any penalty, interest must be paid at the rate of 1% per month or fraction of a month, except for the month in which the tax was due, on any tax due that remains unpaid after the return's due date (or extended due date).

Federal income tax return

You must complete your 2024 federal individual income tax return (Form 1040 or 1040-SR) before you complete your 2024 North Dakota individual income tax return. Certain information from your federal return is needed to complete your North Dakota return.

If you are filing your North Dakota return on paper, you must attach a complete copy of your federal income tax return to your North Dakota return. A complete copy consists of Form 1040 or 1040-SR and all supplemental forms and schedules. You do not have to include depreciation schedules or any other statements that you may have prepared as supporting documentation to your federal return.

Changing your return

If you need to change your North Dakota return after you file it, you must file an amended return. There is no special form for this purpose. See "How to prepare an amended return" on page 8.

If you paid too much tax because of an error in your return, you generally have three years after you file your original return to file an amended return to correct the error and claim a refund of the overpayment. For other time periods that may apply, see North Dakota Century Code § 57-38-40 or contact the Office of State Tax Commissioner.

Penalty and interest apply to additional tax due on an amended return.

Change to federal return

By law, you must file an amended North Dakota return to report changes made to your federal return. This applies whether the changes are attributable to your filing of an amended federal return or an audit or correction by the IRS. The amended North Dakota return must be filed within 90 days after filing the amended federal return or within 90 days after the final determination of the IRS changes.

How to prepare an amended return

1. Obtain a blank Form ND-1 for the tax year affected by the changes.
2. Enter your name, current address, social security number, and other information required at top of return.
3. Fill in the circle next to "Amended return: General" or "Amended return: Federal NOL," whichever applies, in the top right-hand corner of the return. See "Amended return" on page 11 for more information.
4. Complete the return through the net tax liability line.
5. Leave the line for income tax withholding blank unless you are claiming an additional amount not previously claimed.
6. On the "Total payments" line, enter the net tax liability shown on your original return or previously filed amended return. If the net tax liability has not been fully paid at the time the amended return is filed, only enter the amount of tax that has been paid.

Estimated tax requirement (for 2025)

You must pay estimated North Dakota income tax for the 2025 tax year if **all** of the following conditions apply:

1. You are required to pay estimated federal income tax for 2025.
2. Your North Dakota net tax liability for 2024 is \$1,000 or more. (If you are not required to file a North Dakota return for 2024, you do not have to pay estimated tax for 2025.)
3. You expect to owe (after subtracting any estimated North Dakota income tax withholding) at least \$1,000 in North Dakota income tax for 2025.
4. You expect your North Dakota income tax withholding for 2025 to be less than the smaller of the following:
 - (a) 90% of your 2025 North Dakota net tax liability. **Note:** Substitute 66 2/3% if a qualified farmer—see instructions for 2025 Form ND-1ES.
 - (b) 100% of your 2024 North Dakota net tax liability. If you moved into North Dakota during 2024 and had no income from North Dakota prior to the move, this 100% threshold does not apply; you must satisfy the 90% threshold in part (a).

In general, one-fourth (25%) of the total estimated tax required to be paid for the 2025 tax year must be paid by April 15, June 15, and September 15, 2025, and January 15, 2026.

For payment options, go to tax.nd.gov and select "Make A Payment." If submitting a payment by paper check or money order, you must complete and submit a 2025 Form ND-1ES payment voucher with the payment.

How to file a return for a deceased taxpayer

If a final federal income tax return is required to be filed for a decedent for the year of death, a final North Dakota income tax return also must be filed. A court-appointed personal representative is responsible for filing the decedent's final return, even if there is a surviving spouse. The information from the final federal return is used to complete the final North Dakota return, and the North Dakota return is to be signed in the same manner as required for federal income tax purposes. If there is a personal representative and no surviving spouse, a copy of the court document showing the appointment must be attached to the final return. If there is a surviving spouse and the final return will be filed on a joint basis, a refund will be mailed in both spouses' names.

If there is no surviving spouse and no personal representative has been appointed for the decedent, attach a copy of the death certificate and a copy of one of the following:

- Letter of Testamentary.
- Letter of Administration.
- Affidavit for Collection of Personal Property of Decedent.

For assistance, see back cover of booklet.

Fill in the circle for "Deceased" and enter the date of death next to the deceased taxpayer's name on Form ND-EZ or Form ND-1, whichever applies.

Disclosure notification

Upon written request from the chairman of a North Dakota legislative standing committee or Legislative Management, the law requires the Office of State Tax Commissioner to disclose the amount of any deduction or credit claimed on a tax return. Any other confidential information, such as a taxpayer's name or social security number, may not be disclosed.

- The qualified income of the spouse with the lower qualified income is more than **\$46,270**.

Although you meet all of the above conditions, your fact situation may not produce a credit under the calculation formula prescribed by law. Complete the worksheet on page 14 to calculate the credit amount, if any, allowed to you.

Calculate **qualified income** for lines 3a and 3b of the worksheet by adding the following amounts separately for you and your spouse:

- Wages, salaries, tips, etc. reported on Form 1040 or 1040-SR, line 1z.
- Net self-employment income reported on Schedule SE (Form 1040 or 1040-SR), line 3, reduced by the self-employment tax deduction reported on Form 1040 or 1040-SR, Schedule 1, line 15.
- Taxable portion of IRAs, pensions, annuities, and social security benefits reported on Form 1040 or 1040-SR, lines 4b, 5b, and 6b.

Reduce this total by amounts entered on Form ND-1, lines 8 and 15.

Line 23 - Other credits

For other credits that may apply to you, see Schedule ND-1TC and its instructions. Enter on this line the total credits from Schedule ND-1TC. **Include Schedule ND-1TC.**

Line 26 - Withholding

Enter the North Dakota income tax withholding shown on a 2024 Form W-2, Form 1099, or North Dakota Schedule K-1. Also enter North Dakota income tax withholding shown on a 2023 North Dakota Schedule K-1 if the tax year of the partnership, S corporation, estate, or trust shown on the Schedule K-1 is a fiscal year ending in your 2024 tax year. Be sure the state identified on the Form W-2 or Form 1099 is North Dakota. **Do not** enter on this line North Dakota extraction or production taxes withheld from mineral interest income, such as an oil or gas royalty, because they are not income taxes. **Include a copy of the Form W-2, Form 1099, or North Dakota Schedule K-1.**

Line 27 - Estimated tax payment

Enter on this line any estimated income tax payments made on a 2024 Form ND-1ES or Form ND-1EXT. Also enter the amount of an overpayment on your 2023 North Dakota income tax return that you elected to leave on deposit as an estimated payment for 2024. **Do not enter on this line North Dakota income tax withheld from a Form W-2, Form 1099, or North Dakota Schedule K-1; enter withheld tax on line 26.**

Line 30 - Application of overpayment to 2025

If you have an overpayment on line 29, you may elect to apply part or all of it as an estimated payment toward your 2025 income tax liability. Once made, the election or the amount cannot be changed after you file your return.

Line 31 - Voluntary contribution of overpayment

If you have an overpayment on line 29, you may make a voluntary contribution of part or all of it to any of the three funds on this line. Enter the amount you wish to contribute on the line to the right of the fund name. If contributing, you must contribute at least \$1.00. A contribution will reduce your refund.

Line 32 - Direct deposit of refund

If you want us to deposit your refund directly into your bank account, complete items a, b, and c below line 32. Check with your financial institution to see if it will accept direct deposit and to obtain the correct routing and account numbers.

Routing number (Item a)—Enter the 9-digit routing number. The first two digits must be within the range of 01 through 12 or 21 through 32.

Account number (Item b)—Enter the account number. It may have up to 17 digits (both letters and numbers). Include hyphens, but omit special symbols.

If depositing into a checking account, see the sample check on this page for where to find the routing and account numbers. If depositing into a savings account without a check writing feature, ask your financial institution for the correct account number to use.

Please note:

- Do not use the number on a deposit slip for the routing or account number.
- You will not receive notification of when the deposit is made by our office. Contact your bank or check your bank statement to verify the deposit.
- If the routing or account number is incorrect, or if your bank does not accept the direct deposit, a paper check will be issued.
- Due to changes in the electronic banking rules, the Office of State Tax Commissioner will not allow a direct deposit to or through a foreign financial institution. In this case, a paper check will be issued.

Line 34 - Penalty and interest

Our office will notify you of any penalty and interest owed for late filing or late payment, or interest owed on tax due during an extension period. However, you may calculate the amount of penalty, interest, or both, that you owe and pay it with your return. See "Penalty and interest" on page 7 for how to calculate penalty and interest.

Line 35 - Voluntary contribution

If you have a tax due on line 33, you may make a voluntary contribution to any of the three funds on this line. Enter the amount you wish to contribute on the line to the right of the fund name. If contributing, you must contribute at least \$1.00 to a fund. A contribution will increase your balance due.

Line 36 - Balance due

The balance due must be paid in full with your return. You may pay the balance due online with an electronic check or a debit or credit card. To pay online, go to **tax.nd.gov** and select "Make A Payment."

If you are filing a paper return and paying the balance due with a paper check or money order, complete a 2024 Form ND-1PRV payment voucher and enclose it with the payment.

However, if you are filing your return electronically, complete and submit a 2024 Form ND-1V with the paper check or money order. Make check or money order payable to "ND State Tax Commissioner," and write the last four digits of your social security number and "2024 Form ND-1" on your check or money order. A check must be drawn on a U.S. or Canadian bank, be in U.S. dollars, and use a standard 9-digit routing number. A check drawn on a foreign bank (except one in Canada) cannot be accepted.

Line 37 - Interest on underpaid estimated tax

If you were required to pay estimated North Dakota income tax for 2024, but you did not pay enough or you paid it late, interest is charged on the underpayment or late payment. To determine if you owe interest, obtain and complete the 2024 Schedule ND-1UT.

Signatures

Sign and date your return. If you are filing a joint return, both spouses must sign.

Form 1099-G consent and disclosure authorization

At the bottom of Form ND-1, page 2 (below line 37), fill in the applicable circle(s) to indicate if you want either or both of the following items to apply.

Form 1099-G consent. If there is an overpayment on your 2024 Form ND-1, line 29, federal tax law requires our office to file with the IRS and mail to you a Form 1099-G showing the overpayment amount.

You may need this information when preparing your 2025 federal income tax return. Fill in the circle for this item if you want to obtain Form 1099-G electronically from our website instead of receiving it by mail. The 2025 Form 1099-G will be available on our website in January 2026. For more information, go to our website at **tax.nd.gov**.

Disclosure authorization. Fill in the circle for this item if you want to authorize our office to communicate directly with your tax return preparer about your 2024 return. This may include requesting information needed to process the return and responding to inquiries from your preparer about correction notices you receive from us. The authorization does not allow your preparer to receive your refund check, to bind you in any way, or to legally represent you. The authorization only applies to the individual whose printed name and signature appear in the preparer's signature area, and it automatically expires on the due date (including extensions) for filing your 2025 return.

Before you file, did you—

- ✓ **Sign your return?** An unsigned return is incomplete.
- ✓ **Include a complete copy of your federal return?** Return is incomplete without it.
- ✓ **Write your social security number on return?** We use this number to identify your return.
- ✓ **Check your math?** This is one of the most common errors made.
- ✓ **Include all Form W-2s?** Also include a copy of a 1099 or Schedule K-1 showing North Dakota withholding.
- ✓ **Use the correct postage?** Avoid mailing problems by using the correct postage.

Important! If your return is missing your signature or a copy of your federal return, it will be sent back to you. This may result in late filing and payment charges if you resubmit it after the due date.

For worry-free filing, file your return electronically—see page 1!

2024 Tax Table

Example. Taxpayers are residents of North Dakota and are married filing jointly. Their North Dakota taxable income is \$92,325. Find "\$92,300 - \$92,350" in the ND taxable income column. Read across to the amount shown in the "Married filing jointly" column. Their tax is \$264.

Part- or full-year nonresident. If either or both spouses were part- or full-year nonresidents of North Dakota, they must enter the \$264 on Schedule ND-1NR, line 22, to calculate their tax.

Two main reasons returns are sent back to taxpayers—

- **Reason 1:** Return is not signed.
- **Reason 2:** Copy of federal return is not enclosed.

The return is incomplete if unsigned or missing a copy of the federal return and will be sent back to you. This could result in late filing or payment charges.

Before sealing the envelope,

have you done the following:

- Signed the return
- Enclosed complete copy of federal return
- Made a copy for your records
- Enclosed your check or money order payable to "North Dakota Office of State Tax Commissioner" along with a Form ND-1PRV
